## Curriculum Without Compromise

(Math today, more tomorrow)

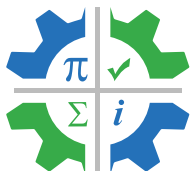

- ✓ 13,000+ high-quality learning objects (and more)
- ✓ Embrace OERs and add your own
- ✓ Comes with robust, aligned courses
- ✓ Familiar and easy to use, with power when you want it
- ✓ Your standards (unpacked!) built in
- ✓ Configurable lessons, course sequences, and benchmarks/assessments

✓ Yes, we have consumables, too!

- Take control of your resources
- Collaborate more effectively and disseminate best practices
- Save time (lots of it)
- Save money (lots of that, too)
